To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Mr. Rob Holladay of the Clear the Fog assembly and Impact Presentations. Rob has presented his program to our students this past week and his program was everything we were looking for. Our students were totally engaged, were attentive, and enjoyed the presentation.

His message emphasizes Vaping, Juuling, and Tobacco awareness, and really drives home the message of making positive choices, resisting peer pressure, and reaching out to adults for help. In addition, Rob Holladay's program was highly educational, interactive, and filled with a lot of audience participation. I really believe our students were impacted by what he said and what he did.

I would highly recommend Mr. Rob Holladay and his Clear the Fog assembly if you are looking for a presentation that will educate and impact your students and staff concerning the epidemic of Vaping, Juuling, and Tobacco.
